**BUILDING A BETTER
INVESTMENT PROFESSION**

A NEW STANDARD IN INVESTMENT KNOWLEDGE

Ongoing professional development is essential to success in an ever-changing and competitive investment marketplace that values expertise and trustworthiness.

CFA UK's Knowledge Centre has been designed to deliver engaging, accessible and relevant Continuing Professional Development (CPD) content to help you further your knowledge and skills.

The Knowledge Centre provides access to a library of structured and unstructured learning materials, including webcasts and podcasts from leading practitioners, book assessments and journal articles.

We also offer the following in-depth and tailor-made CPD Certificate Programmes:

- Asset Allocation
- Equity Investments
- Private Wealth Management
- Standards Ethics and Regulations

These packages each offer up to 10 hours of CPD, address significant themes within the investment profession and include the latest insight on these topics from acknowledged experts.

THE KNOWLEDGE CENTRE

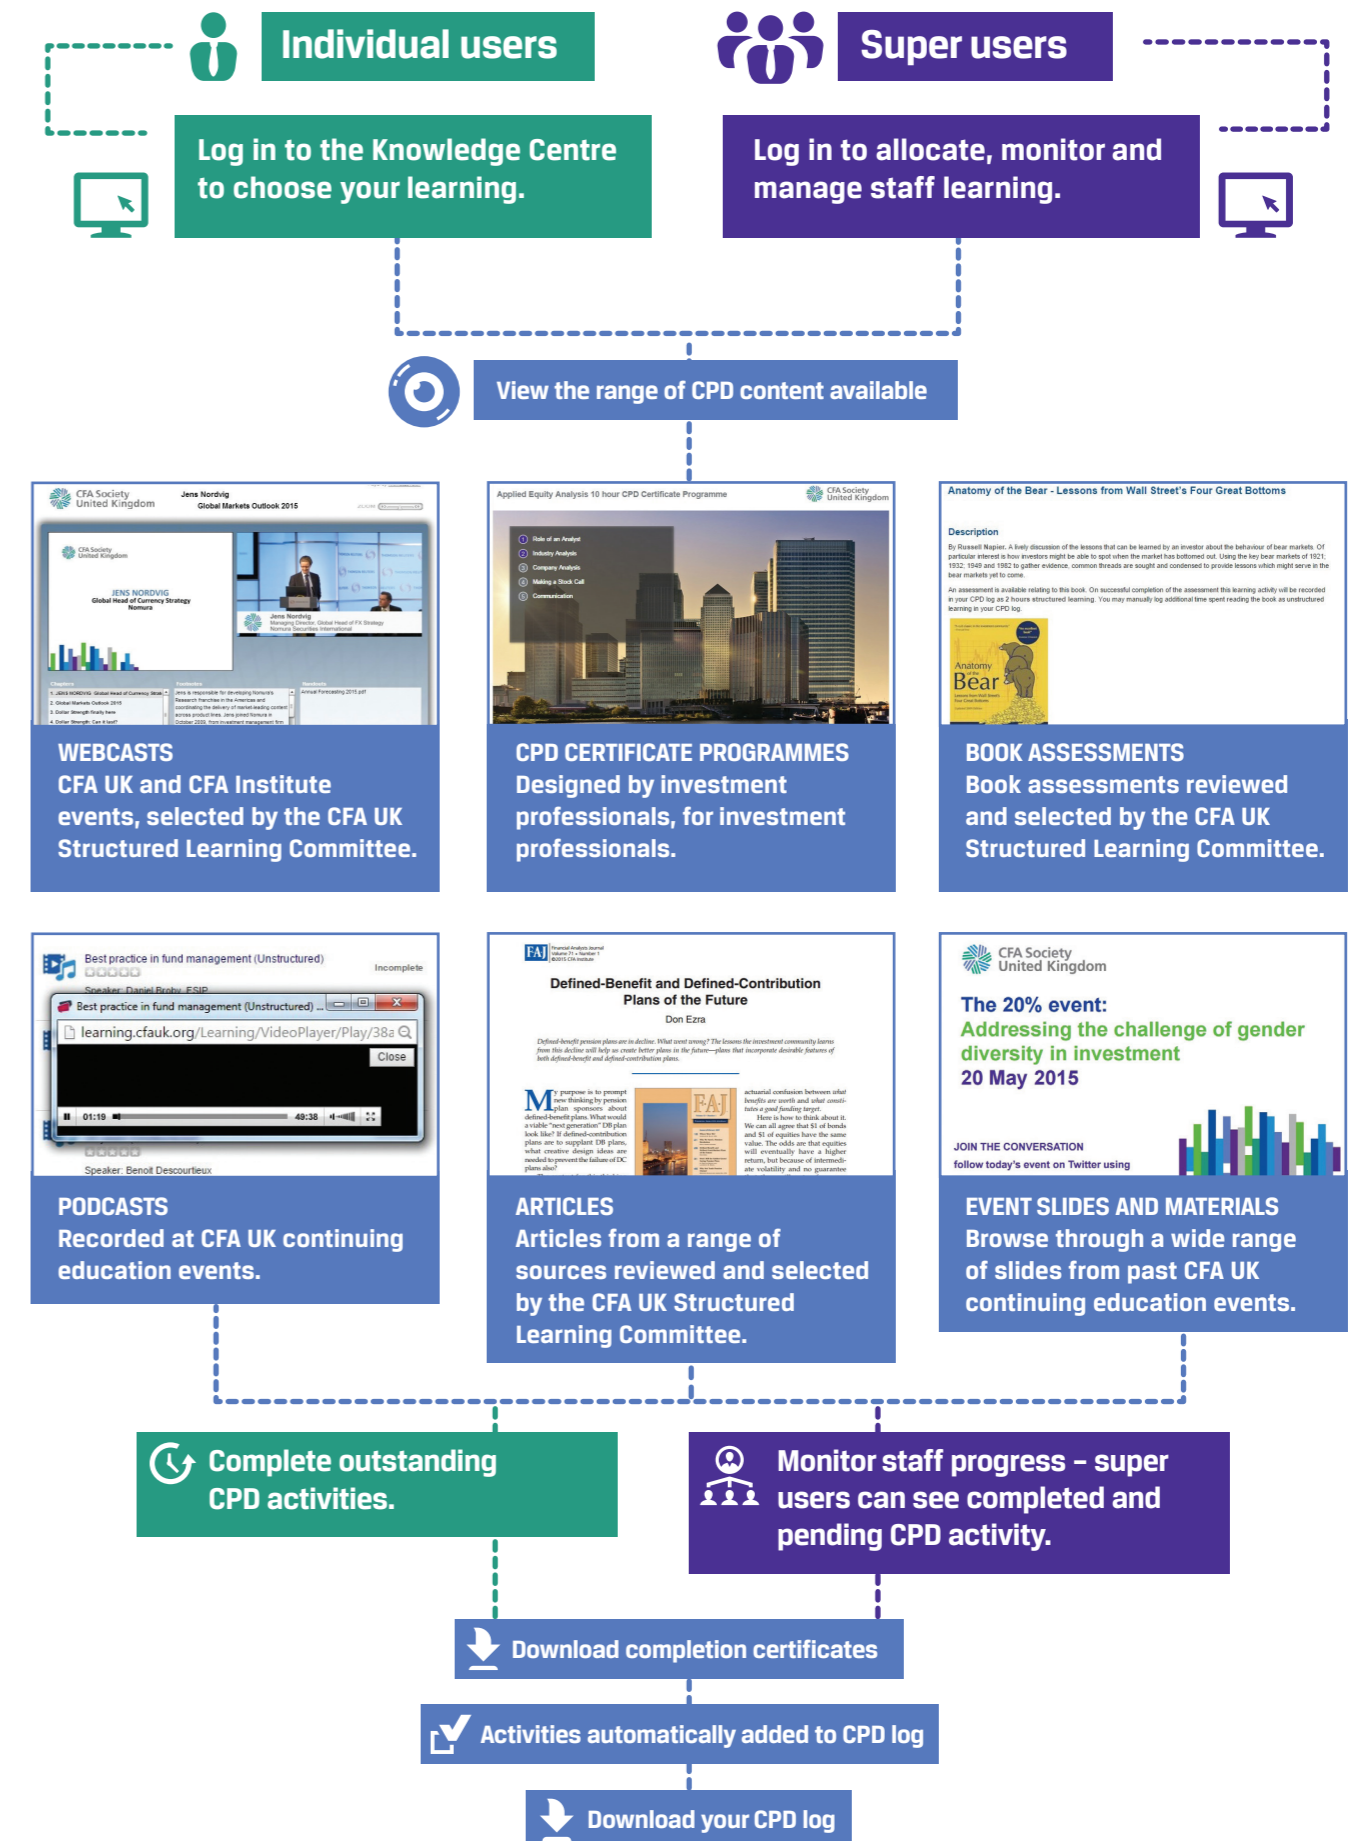

The Knowledge Centre has been designed for:

- Members and non-members:** looking to keep up-to-date with the latest CPD knowledge
- Company super users:** wishing to allocate and monitor staff learning

Available at learning.cfauk.org you can view the range of learning options available for all users in the main catalogue.

The Knowledge Centre has been designed to be used by both individual users and company super users.

More information

If you would like to learn more about the CFA UK Knowledge Centre to find out how it can support learning and development in your organisation, please do not hesitate to get in touch.
