

CFA Career Opportunity Events Working Group

No of new member volunteers:	3 - 5
Time frame:	Mid May – Dec 2018
Commitment:	20 hours across the timeframe
Deliverables:	3 live events and content for posting on the Careers Centre
Reports to:	Jane Coffey

Over the past few years the CFA UK has run a number of events to help members understand the wide range of careers that are available to CFA's. The "Working In " series has asked successful practitioners across a wide range of roles to talk about their career paths, what their role entails and what skills and attitudes you need to be successful in those roles.

Our goal is to continue to provide interesting and stimulating events and online content that helps our members understand the range of career opportunities they have and we would like your help in setting the agenda for the next 6 months and support identifying the speakers and topics that are of general interest to our membership. You will be supported by the Careers Committee and staff members from the CFA Society of the UK.

The purpose and activity of this working group is to:

- Assess the career types that would be of most interest to the membership in the next 6 months
- Bring new format ideas and speakers to tackle those topics.
- Look at how to maximise the use of the content from the events and find complementary content to use on the Careers Centre
- Engage in reaching out to potential speakers from your network
- Develop an executable plan to achieve all key deliverables

Who are we looking for:

- Volunteers with an interest in helping members make informed career choices
- Volunteers who would like to curate relevant content for the Careers centre and potentially write blog posts around their area of expertise.
- Availability for around four meetings, a few conference calls and ability to work on Basecamp.
- Ability to work with a group to shape ideas.
- Understanding of what would interest our members.
- Interest in leading/hosting an event.

How the CFA UK will help:

CFA UK will work out all logistics for the events, webinars and posting the content online. We can contact speakers where they are not known to the working group.

What you will gain:

- Recognition for your contribution in shaping and delivering excellent careers development services to the Membership
- Opportunity to meet and network with other like-minded Investment Professionals
- Volunteering brings a “shared experience” amongst peers that has long lasting benefits for your career
