

## CFA UK Gender Diversity Network [GDN] Committee Member

<b>No of new member volunteers</b>	<b>2</b>
<b>Timeframe</b>	<b>1 year term</b>
<b>Commitment</b>	<b>4h/month across the timeframe</b>
<b>Reports to:</b>	<b>GDN Chair</b>

The mission of the CFA UK Gender Diversity Network is to improve the investment management profession by promoting gender and diversity balance in the industry. Our current focus is diversity within asset management sector to ensure we make maximum impact with our work.

To ensure that we have sufficient resources to implement our refreshed strategy over the next 1-3 years, and increase our membership in line with our goals, we are keen to continue to strengthen the GDN Committee to include a further two members.

### Current members

We currently have 14 Committee members, including a Chair and two Vice Chairs from a variety of different backgrounds.

### Who we are looking for:

To complement the existing Committee members, we require highly engaged, action oriented and diverse individuals to join the Committee.

- Experience within the asset management industry and in particular with skills and experience in Marketing, Communications, PR, Social Media
- Either experienced individuals, in positions of influence and with strong personal and professional networks
- Or those earlier in their career who are actively engaged in improving diversity within the industry
- We are keen for more men, plus individuals with a multi-cultural background and/or who are LGBT to bring their important perspective to the Committee

### What will you do:

- Committee members typically volunteer their time for a term of one year, and be asked to continue for a maximum of three years
- commit to attend quarterly Committee meetings and contribute to the discussion and action
- be willing to take minutes as required

- commit to active contribution to deliver the strategy including events, taskforces, creating content and other group responsibilities
- use your networks to identify potential speakers and hosting venues

### **What you will gain**

There are many benefits to gain from volunteering with the GDN Committee:

- Access to a network of like-minded, diversity focused people
- Opportunity to make a difference to the diversity landscape in the investment industry
- Log CPD from your hours spent volunteering on the Committee
- Increase your knowledge from the wider industry about diversity
